COORDINATING COMMITTEE

RECORD OF DISCUSSION

ON

A GERMAN PROPOSAL TO EXPORT CARRIER

FREQUENCY INSTALLATIONS TO BULGARIA

11th January, 1960

Present: Belgium(Luxembourg), Canada, Denmark, France, Germany, Italy,
Japan, Netherlands, Turkey, United Kingdom, United States.

References: COCOM Doc. 3832.

1. The CHAIRMAN drew the attention of the Committee to the German proposal to export 12 carrier frequency installations to Bulgaria. He invited Delegates to give the views of their authorities.

2. The UNITED KINGDOM Delegate said that in view of the explanations and circumstances given in the German memorandum his authorities raised no objection to this export. The Committee were aware of the importance the United Kingdom attached to Item 1523 as a whole.

3. The UNITED STATES Delegate said that, based on proposals made and views expressed by the United States Delegation during the recent List Review discussions of Item 1523, the United States had no objection to this German proposal.

4. The ITALIAN Delegate stated that his authorities raised no objection to this request because of the guarantees that had been given and the end-use to which the equipment would be put.

5. There were no objections from the other Members of the Committee and the German Delegate expressed his thanks for the favourable replies that had been given.
